Miracle Mile of Quarters (MMQ)

Scott Williamson announced that the Child ID program will be on hand at this year MMQ, which will be held 5/7 06. This will be a great opportunity to show the rest of the Division, and the community just what an outstanding program this is. More details to follow, but please be ready to help show just what OPK can do for the benefit of the children of our community! Child ID will also be holding another kids event on 4/7/06.

ATTENTION...RESCHEDULING
OF
Total K Day

The Kiwanis Club of Oceanside Pacific will join more than 50,000 other adult and youth volunteers in the Kiwanis family of service clubs for the 7th annual "TOTAL K" Day to be held on March 25, 2006. More than 550 Kiwanis clubs in California, Nevada and Hawaii on March 11 will host community-based service projects, including hosting parties for kids at hospitals, offering home repairs for senior adults, delivering meals to local needy and taking area children shopping for clothing.

We will be meeting at Oceanside Harbor Beach south jetty at 9 a.m. and welcome you to spend the whole day with us or whatever time you can spare. Cleanup supplies will be provided by Ray Duncan, Lifeguard Chief with the Department of Harbor and Beaches. After the work is done we will be having a Hawaiian theme BBQ for all participants. **For more information call- Claudia Lang 760-630-2400.** Claudia did such a great job with last years event that this year

sounds like it will be as much, if not more fun than before. Don't miss it!

Get Ready to Laugh for Campfire USA

The annual Beta Sigma Phi fundraiser "Keep the Camp Fire Burning" for Camp Fire USA's NoCaBa Center in Oceanside will be held on Saturday, March 11, 2006, at the Carlsbad Village Theatre. Last year's Mardi Gras event raised over \$9,000 during a spirited and fun-filled evening. This year's "comedy night" promises to be just as fun and successful and, with your help, that promise can be truly fulfilled.

Proceeds from this event directly benefit the children at the NoCaBa Center in the Crown Heights neighborhood of Oceanside. Annually, this center serves over 150 low-income families who live in a neighborhood known for its high crime rate, rampant drug use, and serious gang problem. This program has, for 18 years, successfully provided a safe place for youth in the neighborhood to focus on schoolwork, reading and youth development activities, including a Leaders In Training program for teens. A successful "comedy night" will ensure that NoCaBa can continue to provide quality programs which benefit us all as these children take their place as future citizens and leaders in our community.

The International Committee on Underprivileged Children was formed in 1923, in essence supervising Kiwanis' first major Emphasis Program. Since then, much Kiwanis work has benefited the unfortunate of all ages.
