Introduction of Guests

Among those introduced was Larry Sheridan, a retired military officer from Georgia. New to the area, he's looking for something to fill in his newly open free time slot. Hey, Larry, we've got plenty of options for you to choose from.

Program

This was our monthly business meeting where we have expanded committee reports, etc., as well as honor a Volunteer of the Month.

Jona Newcomb introduced this month's volunteer. He is a student at Oceanside High School and volunteers as Campfire. He started his volunteer work as requirement for a class. However, when his requirement was fulfilled, he continued with his volunteer work.

He has only been in this country 4 years. Not only is he the first family member to attend and graduate from high school, but he will be attending San Diego State in the fall and major in Developmental Psychology. He hopes to one day get his PhD. He also enjoy volunteer work and hopes to continue serving his community in that capacity. We know of an excellent opportunity for him to fulfill that last goal.

Child ID

Last month, 501 kids were fingerprinted. Also, at the Kids First Fair on Camp Pendleton, our crew processed 264 kids in 4 hours. Way to go folks!

Election Time

We will soon be electing new officers and board members for the upcoming year.

General

New member, Marilyn Murray was our secret greeter.
