The Welcome Mat

We had a whole slew of guests this morning, so lets get started. **Naomi Shelton** (Dan's lovely wife) and their daughter Elizabeth Hall and grand daughter Janet were up early with us. We had an interclub from Oceanside Kiwanis consisting of Richard Smith and Kathy Meyers.

To top it off we had the K-Kids and parents from Christie McAuliffe School on hand as part of the program this morning. Those in attendance were Nathan Curnow (President), Susan Heering and her daughter Kailey, Alyssa Tapia Mikaela Shannon, Ariana Shannon,, MaryBeth Mayer and her daughter Cassidy, and last but not least Debra Wickman, the school advisor. It was a pleasure to have you as our guests.

A Sad Passing

It is with great sorrow that we lost a friend and fellow Kiwanian last week. **Jim McCargo** passed on rather suddenly after a brief illness. Jim was a dear friend to many of us and brightened the room whenever he walked in. As an Honorary Kiwanian, he attended many events and meetings and was a pleasure to have in our ranks. A memorial is being scheduled and that information will be forthcoming. Our thoughts and prayers go out to his family and friends

What a Hoot

The Monday dinner at Hooters was a blast and everyone came out ahead. Hooters are donating 1/2 of all its proceeds from its sale of chicken wings on Mondays to the defibrillator program sponsored by OPK. Come on out every

Monday to help with this outstanding contribution by Hooters and enjoy some wings with some friends.

MMQ

The miracle Mile of Quarters event was another success this year. The Child ID program processed 126 kids and enough quarters were laid down to make your back hurt for months. Good job to the Williamson family for making this a successful showing and keeping OPK at the front of the line when it comes to the MMQ

Well Wishing You Were Here

All our wishes go out for a speedy recovery to **Frank Turner** and **Marie Swan** while they are on the mend. We miss your smiling faces and sense of humor.

Funnel This!

The annual funnel cake booth adventure was successfully completed with a showing at the Carlsbad Street Fair. The net was \$1200 and a good time was had by all. The K-Kids were a big help and the Chabalas are looking forward to the next big outing.

Congratulations

Marilyn Murray successfully completed all the requirements in order to wear her gold name badge proudly. That was pretty quick Marilyn. That goes to show we have a real enthusiastic player in our club and we are glad to have you on our side.

Our K-Kids

Mary Gleisberg (with technical assistance from her lovely husband Bob) presented the program for this mornings meeting. Mary has started a brand new K-Kids club at McAuliffe Elementary with help from **Jim Stanner** and briefed us on the importance that a K-Kids club has on the school, community, as well as the kids themselves.

The K-Kids programs are elementary school programs supported by Kiwanis Volunteers. These programs teach young people the importance of setting goals, striving for academic achievement and serving the school and community. These programs thrive because of continued Kiwanis.

Jim and Mary have done a great job in getting this club of the ground. Let's do our part and support them in any way we can, one child at a time!

Kiwanis Tidbits

Kiwanis is not a "professional Classification" organization. Any number of members from a particular business or profession can belong to a Kiwanis club. Each club should strive to represent a broad spectrum of its community.

Thought for the Week

Life appears to me too short to be spent in nursing animosity or registering wrong.
